### **Information required for listed invasive species (Category 2) which must accompany the application for a permit-**

#### **(a) information regarding the relevant species, including-**

- (i) the taxonomy of the species, including its class, order, family, genus, scientific name, scientific synonyms and common names of the species;
- (ii) the source or place of origin of the species including the area, the type of facility and environmental parameters where species are kept.

#### **(b) information regarding the restricted activity in respect of which the permit is sought, including-**

- (i) the nature of the restricted activity;
- (ii) the reason for the restricted activity;
- (iii) the location and GPS coordinates where the restricted activity is to be carried out;
- (iv) the number and, where applicable, the gender of the specimens of the species involved; and
- (v) the intended destination of the specimens, if they are to be translocated.

#### **(c) the possible impact of the species on the biodiversity and sustainable use of natural resources of-**

- (i) the area (Province and District) in which the restricted activity is to be carried out; and
- (ii) in any other area elsewhere in the Republic.

#### **(d) any measures proposed in order to manage the risks.**
